ADMIT IT:

you've always wanted to go to Krislund Camp (or go back) yet the opportunity just hasn't presented itself... until now. You've known kids and youth who have gone to camp or re-

treats there... you've heard Derry adults speak fondly of a place that's been meaningful to them since the camp's founding in the early 1960s. Here's your chance to find out what Camp Krislund is all about... and you couldn't pick a better weekend to experience fall splendor in the mountains near State College. Plus, you'll avoid all the traffic headaches brought on by the Hershey Half Marathon over the weekend of October 19-21, 2018.

We've reserved some of the camp's stand-alone cabins. Each cabin has two double beds, heat and air conditioning, a bathroom with shower, comfortable chairs and a desk. Cabins are close to the Retreat Center for easy access to meeting rooms and dining areas. And you'll enjoy beautiful views of the mountains from the porch of your cabin. Cabins can sleep one, two, three or four people. Sign up today!
